

## Southern Knell

Lovedrug

Sometimes I mistake my heartache for bliss.  
Come on now babe let's seal it with a kiss.  
And I'd only avenge you if no one does harm.  
No one here can lay on your memory bed  
Where you kissed your mother -your father on the head  
no one understands you and  
but I've got to try  
oh someone's got to try  
(mhhmm)  
[Chorus:]  
C'mon play that 45 and dance like sin  
I'll lock up the doors honey no one'll come in  
You're beautiful alone but with so much to give to world  
So why not let 'em in?  
(mhmmm)  
Shaking all these branches for love to fall  
it's hard when you're looking down and see it all  
the leaves are all ending and nothing's there  
Laying on the highest limb pulling down stars  
calling your name I've traveled so far  
No one understands you here but I've got to try  
[Repeat Chorus 2x]  
C'mon play that 45 and dance like sin  
I'll lock up the doors honey  
No one'll come in  
You're beautiful alone but with so much to give to the world...
