

## Strange Heart

Lovedrug

strange heart, a cold night  
I caught you dancing in the bonfire starlight  
you're a wreck cause you're all alone  
I wanna hold ya and be the one you rest on  
bomb blast, calm down  
you're like a bullet living in a little glass town  
hellfire with a halo  
lets keep it quiet, you're pretty when you're quiet but..  
I know you're ready to fight these giants  
cause you've gone crazy  
I know you're a blade in the night  
that's why I like you baby  
strange heart, on fire  
you're all woman but you're dreaming like a horsefly  
you got speed and you got sound  
you're making movies, but no one's watching movies right now  
I know you're ready to fight these giants  
cause you've gone crazy  
I know you're a blade in the night  
that's why I like you baby
