

Thieving

Lovedrug

Would you believe me if I told you
That I'm surfacing for just one thieving moment
To steal your heart
Would you believe me if I told you
That fairy tales come true when I'm with you
I'll free the one who falls in love again
Come on and hold you like candy on a Friday after
Making love all year
And now we are swimming down where iron doors are open
And there is too much fear to breathe
A girl, a boy, a hell like thieves we are
All in love with stolen hearts
And we all fall down and fall apart for love
Dance, alright but I'm giving it one last fight
I fancy not your night
I'm your girl, your whore, your hell
But thieves we are
All in love with stolen hearts
And we all fall down and fall apart for love
