

Come and Get It

Lovehatehero

The days, they stay the same;
Stuck inside this mental game.
A tidal wave,
It blow this house of cards away.
It's never been the same,
We built this out of love and pain.
It stays the same,
Who am I to point the blame?

If I could turn back time,
We'd never fall in love.

I can see I don't know where you are
And how we got this far, outta hand.
If it's up to me, I'd do it all again,
Do you understand, what you mean to me?
You meant to me.

It's never gonna get easier, I promise that.
Don't matter if we got it, then we're good.
If you want it, then come on and get it! (whoa...)

If I could turn back time, (whoa...)
We'd never fall in love.

I can see I don't know where you are
And how we got this far, outta hand.
If it's up to me, I'd do it all again.
Do you understand, what you mean to me?
You meant to...

I could, reach down and touch you.
I could, sell my insides.
I could, show you the meaning of love.
I could show you the meaning...
I could, reach down and touch you. (reach down)
I could, sell my insides. (sell my insides)
I could, show you the meaning of love. (I could show you)
I could, show you...

I can see I don't know where you are
And how we got this far...
How we got this far!...
I can see I don't know where you are
And how we got this far, outta hand.
If it's up to me, I'd do it all again. (do it all again)
Do you understand, what you mean to me? (what you mean to mean)
You meant to... ME!
What you mean to me!
