

# One Of Them Days

Loverboy

Do you ever wonder  
If this could happen to you  
Wake up in a dream and everything is coming true

Keeping near the green light  
Lady luck's been on my side  
Every station in the nation  
Plays my song tonight

One more time  
Cause I'm not satisfied  
It'll never get much better  
Just enjoy the ride!

Its like the boss gave me a raise  
No more working holidays  
Woke up late and I got paid  
Tell me now what made the grad

All my bills are paid  
The ex settled down her boyfriends gay  
You'd think I'd wanna celebrate but I gotta say  
It just ain't one of them days

And now the stormy Monday  
And I still got the blues  
Going nowhere you now I've been there  
I'm trying to pay my dues

A double shoot of courage  
Wont make it go away  
But one day baby  
One day maybe it could happen to me

It would fell so good  
I could be what I want to be  
Will it ever get much better  
If only I could say

That the boss gave me a raise  
No more working holidays  
Woke up late and I got laid  
Tell me now what met the grade

All my bills are paid  
The ex settled down her boyfriends gay  
You'd think I'd wanna celebrate but I got to say  
It just ain't one of them days

Do you ever wonder  
If this could happen to you  
Wake up in a dream and everything is coming true

What if the boss gave me a raise  
No more working holidays  
Woke up late and I got laid  
Tell me now what met the grade

All my bills are paid  
The ex settled down her boyfriends gay  
You'd think I'd wanna celebrate  
But I gotta say oh yaaa!

No more working holidays  
Woke up late and I got laid  
But it just ain't one of them days

The boss gave me a raise  
No more working holidays  
Woke up late and I got paid  
But I gotta say it just ain't one of them days!
