

One-Sided Love Affair

Loverboy

Yeah! Yeah!

I just don't know what to do
Everybody's heard about me and you
Because the talk's out on the street
And the word is that you don't come cheap
I thought it was a rumour
It turned out that I was wrong
You're such an inspiration
Another night, another song

Anyone can see that you don't care
It's a one-sided love affair
Anyone can see that it's not right
What you're doing to me every night, No!

I just don't know what to say
Cause nothin' ever made me feel this way
I gotta tell you now what's my mind
I've been hurtin' for a long, long time
Tell me it's not true
Tell me it's a lie
Tell me everything I want to hear
Cause this time it's do or die

Anyone can see that you don't care
It's a one-sided love affair
Anyone can see that it's not right
What you're doing to me every night, Yeah!

Anyone can see that you don't care
It's a one-sided love affair
Anyone can see that it's not right
What you're doing to me every night

Anyone can see that you don't care
It's a one-sided love affair
Anyone can see that it's not right
What you're doing to me every night, No!
