Queen Of The Broken Hearts

Both sides are fightin' You don't know who to choose You're stuck in the middle And you can't lose Both sides are talkin' You've finally seen the light You'll get it together But not tonight

You were born with it And now you got it The way you want it And you don't care Cause nothin's gonna bring you down

You were born with it And now you got it And oooh you flaunt it And you don't care Cause nothin's gonna bring you down, No...

But she's not that kind of girl I'm tellin' all the world She was born the Queen of the Broken Hearts

She says she'll write you letters But that ain't face to face She'll give you a number But it's not her place...oh Don't keep her waiting Now see what you have done You look in the mirror It ain't no fun

You were born with it And now you got it The way you want it And you don't care Cause nothin's gonna bring you down, No...

You were born with it And now you got it And oooh you flaunt it And you don't care Cause nothin's gonna bring you down, No...

But she's not that kind of girl I'm tellin' all the world She was born the Queen of the Broken Hearts

Cause she's not that kind of girl I'm tellin' all the world She was born the Queen of the Broken Hearts

Loverboy

Cause she's not that kind of girl I'm tellin' all the world She was born the Queen of the Broken Hearts She was born the Queen of the Broken Hearts She was born the Queen of the Broken Hearts

Yeah, yeah, yeah...
