

# Read My Lips

Loverboy

Here you come again, lookin' for another thrill  
With your lipstick, high heel shoes, lookin' like you're  
dressed to kill  
Tattoo stuck on you, branded by a chosen few  
What short memory, now it's time to pay your dues

Don't you hear a word I say?  
Just turn your head and look this way

And read my lips  
Read my lips, listen to me, I'm talkin' to you  
Read my lips  
Read my lips, I'm tellin' you, I'm through with you

I know where you go when you need to get some  
Bad little actress on a mattress, it's seduction  
Anything for you

You don't hear a word I say  
So turn your head and look this way

And, read my lips  
Read my lips, listen to me, I'm talkin' to you  
Read my lips  
Read my lips, listen to me, you're history

I've been watching what you do  
And it doesn't take a fool  
To see what we've been through  
Oh, gonna turn the page on you

You don't hear a word I say  
So turn your head and look this way

And read my lips  
Read my lips, listen to me, I'm talkin' to you  
Read my lips  
Read my tips, oh, I'm through with you  
Read my tips  
Read my lips, listen to me, I'm talkin' to you  
Read my lips  
Read my lips, listen to me, you're history

Oh yeah, read my lips  
I said, read my lips  
Read my lips  
Just read my lips
