

# Take Me To The Top

Loverboy

Here's lookin' at you  
What do you think the chances are we're gonna make it together?  
Here's callin' your name  
'Cause I have to do the things I have to do

What's a poor boy to do  
When he's fallen in love with you  
Help me make it through the night  
Everything's gonna be all right  
Yeah

Come to me deep in the night  
Look at you, I feel alright  
Crazy little things you do  
Make me wanna be with you tonight  
Oh

What's a poor boy to do  
When he's fallen in love with you  
Help me make it through the night  
Everything's gonna be all right

You take me to the top  
Take me to the top  
Take me to the top  
Yes, you take me  
Take me to the  
Take me to the  
Take me to the top

Just give me your hand, hold it out  
Close your eyes, move up close to me  
Just talk to me in the tone of voice  
You really don't leave me any choice, you see

What's a poor boy to do  
When he's fallen in love with you  
Help me make it through the night  
Everything's gonna be all right

You take me to the top  
Take me to the top  
Take me to the top  
Yes, you take me  
Take me to the  
Take me to the  
Take me to the top  
Oh, oh

Just let me lay my hands on you  
That's the thing I wanna do  
Wanna spend some time alone  
Give me a chance and I'll take you home  
Oh

What's a poor boy to do  
When he's fallen in love with you

Help me make it through the night  
Everything's gonna be all right

You take me to the top  
Take me to the top  
Take me to the top  
Take me to the  
Take me to the  
You take me to the top
