

## Broadway (So Many People)

Low

Last night just north of Houston  
Broadway so many people  
Through your third story window  
I see my favorite record store

Where is the laughter?  
Where is the laughter?

Smiling, tasting the irony  
Broadway so many people  
Outside just round the corner  
Letter and Bob Marley t-shirts

Where is the laughter?  
Where is the laughter?

Baby, 10000 years ago  
Broadway so many people  
Sleeping down at the factory  
Waiting and singing so softly

Where is the laughter?  
Where is the laughter?

The garden of Eden  
The voices of children  
Where is the laughter?
