

## If You Were Born Today (Song for Little Baby Jesus)

Low

If you were born today  
We'd kill ya by age eight  
Never get the chance to say:

Joy to the world and

Peace on the earth  
Forgive them for they know not what they do

Blessed are the meek and

Blessed are the humble  
Blessed are the ninety and nine

Deny the flesh

Deny all that's evil  
Tonight you'll deny me thrice

If you were born today

We'd kill ya by age eight  
Never get the chance to say...

Ooooo...
