

## Just Stand Back

Low

I can't decide and I can't hide  
Make up my mind it's a waste of time  
Here comes the knife  
You better just stand back  
I could turn on you so fast

It's a hit its got soul  
Steal the show with your rock n' roll  
With a swing like that you better just stand back  
I could turn on you so fast

Just like diamonds in your hand  
I'll just cut you in the end

One more step and I'll slit your neck  
You'll get use to it you better just stand back  
I could turn on you so fast  
I could turn on you so fast  
I could turn on you so fast  
Just like diamonds in your hand  
I could turn on you so fast  
I just cut you in the end  
I could turn on you so fast
