Venus

Venus I can hardly see ya Venus I can hardly see ya You're fed up with your friends You're fed up with the end You're fed up with the make-up Make-up Venus Have you ever seen us? Venus Have you ever seen us? You're fed up with your friends You're fed up with the end You're fed up with the make-up Make-up Have you seen my dreams? They're the same as yours it seems Venus I can hardly see ya Venus Oh I can hardly see ya See ya
