

## Barbie Dolls

### Lower Class Brats

Your image of beauty is a bit askew  
brainwashing girls from the age of two  
you airbrushed playmates dont turn me on  
with collagen lips and silicone

tear, tear the heads  
tear the heads off barbie dolls

i would hate to have your plastic smile  
all dressed up in the latest style  
my dream girl aint all satin and lace  
shes a natural born angel with a dirty face
