

Clockwork Fuse

Lower Class Brats

Got my bowler on I feel so fine
We've been waitin' for a long long time
Steel-cap boots & a smirk on my face
Out of our way we're tearing down this place
We aint' got a whole lot to lose
Light us up & that the abuse

[Chorus:]

We're just another clockwork fuse
Light us up & take the abuse
I'm with my friends I feel alright
Gotta get ready to start the night
If you look you'll find us here
We'll be the ones with a wrench in the gear
We ain't got a whole lot to lose
Light us up and take the abuse
