

Another Sad Song

Lower Than Atlantis

Flashback to 1999,
It's the summer,
Not a cloud in the sky.
Present day,
Things have changed,
Summer's over
And it rains here every day.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.

But how so?
I'm only 21 years old.
I used to be so happy,
Now here's another sad song by a sad boy
Playing the saddest chords he knows.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.

Don't cry,
We all make mistakes from time to time.
Unfortunately, for me,
Being me was mine.
