

## Could You? Would You?

Lower Than Atlantis

You say you love her, but you don't love her,  
She's another scrubber.

You are miserable, and I'm sure it's not my place,  
But your new girlfriend's not to my taste.

Would you tell her there's no other,  
Introduce her to your mother,  
Could you trust her with your pin number,  
If you can't then don't say so.

Woah! Woah! Woah! Woah!

She ain't bothered,  
Sleazy lover under the covers.

You are miserable, and I'm sure it's not my place,  
But your new girlfriend's not to my taste.

Would you tell her there's no other,  
Introduce her to your mother,  
Could you trust her with your pin number,  
If you can't then don't say so.

Woah! Woah! Woah! Woah!

Would you tell her there's no other,  
Introduce her to your mother,  
Could you trust her with your pin number,  
If you can't then don't say so.
