

## Criminal

Lower Than Atlantis

Mike D - you get what you see  
Say it like it is and regularly  
I'm not faking, this is what I believe  
Live your life free, do what makes you happy

No more, I've taken shit before  
But I am older now, a little wiser now  
No lies, if caring is a crime then I'm a  
Criminal and my mind is a cell, yeah

Broke thugs getting major label love  
Is it really selling out if we just use them for their funds?  
Just don't let no one tell you what to do  
You're in charge of your own life, no one but you

No more, I've taken shit before  
But I am older now, a little wiser now  
No lies, if caring is a crime then I'm a  
Criminal and my mind is a cell, yeah

Yeah son, we're gonna get some action  
You distract them and I will attack them  
Yeah son, we're gonna get some action  
You distract them and I will attack them  
Yeah son, we're gonna get some action  
You distract them and I will attack them  
Yeah son, we're gonna get some action  
You distract them and I will attack them  
Yeah son, we're gonna get some action  
You distract them and I will attack them  
Yeah son, we're gonna get some action  
You distract them and I will attack them

No more, I've taken shit before  
But I am older now, a little wiser now  
No lies, if caring is a crime then I'm a  
Criminal and my mind is a cell, yeah
