

Criminal

Lower Than Atlantis

Mike D - you get what you see
Say it like it is and regularly
I'm not faking, this is what I believe
Live your life free, do what makes you happy

No more, I've taken shit before
But I am older now, a little wiser now
No lies, if caring is a crime then I'm a
Criminal and my mind is a cell, yeah

Broke thugs getting major label love
Is it really selling out if we just use them for their funds?
Just don't let no one tell you what to do
You're in charge of your own life, no one but you

No more, I've taken shit before
But I am older now, a little wiser now
No lies, if caring is a crime then I'm a
Criminal and my mind is a cell, yeah

Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them
Yeah son, we're gonna get some action
You distract them and I will attack them

No more, I've taken shit before
But I am older now, a little wiser now
No lies, if caring is a crime then I'm a
Criminal and my mind is a cell, yeah
