

Million Man March

Lowkey

Lowkey ft. Mai Khalil Million Man March

Lyrics

You might take my life

But you can't take my soul

You can't take my soul

You might take my freedom

But you can't take my soul

You can't take my soul

Whether it's a cancer patient or assassination

Or I fought for emancipation

My intentions were pure you can't debate 'em

But no, never ever shook hands with Satan

My fans are amazing, I thank and praise 'em

When I die, don't cry, just congratulations

A million more feet will stamp the pavement with plans of changes, no exaggeration

We will not be ignored

You will be rocked with the force of the bombs you dropped in those wars

I will not be bought

And I consciencely thought it was wrong, so I constantly fought

Peace is something I would really adore

But we are at war so give me a sword

I'm merely a corpse, but still be assured

When you kill me there will be a million more

Born alone and die alone

Those words ringin' inside my dome

Best friends are the pen and the microphone

Roamin' until I find my way home

Turn my body cold but my soul is mine

Take a deep breath and I close my eyes

I will go when I'm supposed to die

But in death I will multiply

My backs against the wall

But you can't kill us all

Even if you take my life

Still we will survive

We shall overcome

And the tables will turn

Today I die as one but as millions I'll return

But as millions I'll return

But as millions I'll return

In these critical times don't be really surprised

If I get victimised by Gideon's spies

I sympathise with that Brazilian guy

On the tube, but we're used to the hideous lie

"Civilians die, millions cry

Our civilians die", the militants write

How silly am I to be figuring why?

The injustice is clear and I feel it inside

Hear me in Gaza, here me in Glasgow

Hear me in Baghdad, hear me in Plasto

Clearly they hear me from here to Chicago

Think things are all good but really they aren't though

Peace is something I would really adore

But we are at war so give me a sword

I'm merely a corpse, but still be assured

When you kill me there will be a million more

Born alone and die alone
Those words ringin' inside my dome
Best friends are the pen and the microphone
Roamin' until I find my way home
Turn my body cold but my soul is mine
Take a deep breath and I close my eyes
I will go when I'm supposed to die
But in death I will multiply
My backs against the wall
But you can't kill us all
Even if you take my life
Still we will survive
We shall overcome
And the tables will turn
Today I die as one but as millions I'll return
But as millions I'll return
But as millions I'll return
My people are bleedin'
So I'm readin' and seekin' the deepest of meanin's
My demons are breedin'
In my sleep I can feel it, I need to defeat 'em
My temperature's risin'
If tempted I'll rise with the temper of Tyson
Resent all the violence
Cause of people with tension
It tends to divide them
The pen that I write with
Is better than a sword when I strike with the strength of a Titan
My friends are still fighting against all the tyrants
So then why would it end when I die then?
Peace is something I would really adore
But we are at war my pen's killing your sword
I'm merely a corpse, but still be assured
When you kill me there will be a million more
Born alone and die alone
Those words ringin' inside my dome
Best friends are the pen and the microphone
Roamin' until I find my way home
Turn my body cold but my soul is mine
Take a deep breath and I close my eyes
I will go when I'm supposed to die
But in death I will multiply
My backs against the wall
But you can't kill us all
Even if you take my life
Still we will survive
We shall overcome
And the tables will turn
Today I die as one but as millions I'll return
But as millions I'll return
But as millions I'll return
You might take my life
But you can't take my soul
You can't take my soul
You might take my freedom
But you can't take my soul
You can't take my soul
You might take my life
But you can't take my soul
You can't take my soul
You might take my freedom
But you can't take my soul
You can't take my soul
