

# Soundtrack To The Struggle

Lowkey

[Intro: Lowkey]

It's been a long time coming  
Too long  
Too long  
It's been in the making a quarter century  
But it's here now  
It's here now  
If by the time you hear this album  
I'm not here  
You know why

[Hook: Mavado]

Tell ya  
So mi say  
Too many suffering too many tears  
To see a youth die I'm a know him for years  
When me look around nobody care  
The people dem a live inna fear

The system need to change right now  
To much you do could a inna grieve right now  
I know si the bigger is a give right now  
After ghetto people a no steep right now (Woo ooh! oi!)

The system need to change right now  
To much you do could a inna grieve right now  
I know si the bigger is a give right now  
After ghetto people a no steep right now (yeah yeah!)

[Verse 1: Lowkey]

My music is my natural resource, now I want it back  
Til I sever every single chain I will not relax  
Just constant attack, til my world looks like Monserrat  
Contact my comrades, for combat, what's conscious rap  
When you say the truth, they attack like a Sabertooth  
Thinking clear they make you disappear like you hate the fruit  
We don't need more Boeings, we don't need more Rebers, weed or Lyor Cohens  
They tell us about terrorism and tell us about terrorists  
Look up the definition and tell us what terror is  
Only know the definition if the television tells us it  
Public Enemy #1 they treat me like Professor Griff  
This album has been in the making a quarter century  
Born to bless the beat and rap over recorded melody  
I knew the truth since I was a small little boy  
I am a product of the system I was born to destroy

[Hook: Mavado]

Me can't believe I saw dem cheat people  
And they fi protect and dem a leave people  
I me no si no system fi di street people  
Can't believe di money lead people

The system need to change right now  
To much you do could a inna grieve right now  
I know si the bigger is a give right now  
After ghetto people a no steep right now (Woo ooh! oi!)

The system need to change right now  
To much you do could a inna grieve right now  
I know si the bigger is a give right now  
After ghetto people a no steep right now (yeah yeah!)

[Verse 2: Lowkey]

On the news, they glorify their own henchmen  
Support the troops, but won't mention Joe Glenton  
It's funny 'cos the rappers are posing as the gangsters  
While the government taking money as bonuses for bankers  
In life you learn, to close your eyes and hold your tongue  
But together we will overcome, there's never been a chosen one  
Still tryina understand, the land I stand on  
I'll probably die from cancerous anger like Franz Fanon  
I will never give up, I will never just quit  
I will never give in, I will never submit  
The reason that I came, Is bleeding from the veins  
Of the people cus we equal, only Freedom is the aim

[Verse 3: Lowkey]

If you're subordinate to corporate guys supplying you orders  
You're fighting fire with fire, I'm fighting fire with water  
When they kill me, I know I'll die with a focused mind  
Plus there will be millions of me, ready to multiply  
Dont just mention, acknowledge me, remember to honour me  
My pen and this honesty, defending equality  
Declared a republic, and ended your monarchy  
Your corporate dictatorship, pretends it's democracy  
I hold your bloodline, accountable for every crime  
Adam Smith to Rothschild, it's all been a clever lie  
Two choices now, revolution or genocide  
But thanks to Rupert Murdoch neither one will be televised  
This album has been in the making a quarter century
