

## Free to Love

LP

Oh say what you wanna say, nothing's ever gonna change  
Everybody's going away sometimes  
Born to monotony, virtual lobotomy  
Everybody's looking to say their mind, but I  
I don't wanna be part of mediocrity  
Cause all I see is one big plague, and I  
Only want the truth, hold it like the flame of youth and don't  
let go oh

All I need is you  
All I need is you

Hoooooah ohhoah the day has come, the day has come  
Hoooooah ohhoah we're free to love, free to love  
And I, I'm ready to ride  
With you, you make me alive, alive

Oh yeah, the walls are caving in  
Would it be off to say we won't be home again?  
Drowning in a sea of heartache and hypocrisy  
I thought I'd be the one that unscathed  
But I was wrong, oh oh, oh oh, yeah, I was wrong

All I need is you  
All I need is you

Hoooooah ohhoah the day has come, the day has come  
Hoooooah ohhoah we're free to love, free to love  
And I, I'm ready to ride  
With you, you make me alive, alive

Hold me, and then I can't fall again, I can't fall again  
Hold me, and then I can't fall again, I can't fall again

Hoooooah ohhoah the day has come, the day has come  
Hoooooah ohhoah we're free to love, free to love  
And I, I'm ready to ride  
With you, you make me alive, alive  
And I, I'm ready to ride  
With you, you make me alive, alive
