

## Tokyo Sunrise

LP

Said a lot of words along the way  
I meant them all while we reigned  
But shores of love get beaten by the waves and after it was done  
I wish I'd saved time  
One less spark from a flame  
One more heart beat away  
I think I lost your scent after the rain  
I'll find you when our paths cross by the gold mines

Where you gonna go  
Where you gonna go  
I can tell you that  
Oh oh oh oh oh oh oh oh yeah  
Some day in the sky we'll see the same sun on the rise yeah  
Wherever you go  
Far as Tokyo  
I can say;  
I'll see you again  
I'll see you again  
I'll see you again

Aching with a debt never paid  
Horses broken and splayed  
Breathing half a breath since you're away  
But while your blood is warm I'll keep the home fires

Where you gonna go  
Where you gonna go  
I can tell you that  
Oh oh oh oh oh oh oh oh yeah  
Some day in the sky we'll see the same sun on the rise yeah  
Wherever you go  
Far as Tokyo  
I can say;  
I'll see you again  
I'll see you again  
I'll see you again

My love is never gone away  
It's gonna come around someday  
My love is never gone away  
It's gonna come around someday  
I'll see you again  
I'll see you again
