

# Let It Go

Luba

Too many doubts  
Too much fear  
Too much danger  
When society constructs our human nature  
Live by the rules  
Live by the laws  
Live by commandments  
Notions preconceived can lead to utter madness

Let it go  
Let it go  
Let it free your body  
Let it move your soul  
Let it go, oh no  
We are made, we are not born  
Let it go  
Let it free your body  
Let it move your soul  
Let it go, oh no  
We are made, we are not born

Learn to convert  
Learn to assert  
Learn to abandon  
Ideologies and disciplines at random  
Lay down my laws  
Lay down the rules  
Lay down commandments  
Lift the sanctions  
That restrict this woman's madness

Let it go  
Let it go  
Let it free your body  
Let it move your soul  
Let it go, oh no  
We are made, we are not born  
Let it go  
Let it free your body  
Let it move your soul  
Let it go, oh no  
We are made, we are not born

Uniformity  
Conventionality  
Is the bane of our existence  
Keep it safely at a distance  
Nonconformity  
Unconventionality  
Is too good to be  
Let your hair down  
Can't you see

Let it go  
Let it go  
Let it free your body  
Let it move your soul

Let it go, oh no  
We are made, we are not born  
Let it go  
Let it free your body  
Let it move your soul  
Let it go, oh no  
A woman is made, she is not born

Let it go  
Let it free your head  
Uncivilize your soul  
Oh, oh  
Let it go  
Let it free your head  
Uncivilize your soul  
Let it go  
Oh, let it go  
Let it free your head  
Uncivilize your soul
