tragedy storms him when demons spare her life  
and all discover she has a demonheart  
demonheart!

Feeling trapped in with the slimy creatures, now close to being  
killed

she soon revealed her forgotten sad past, first to herself  
they smelled her flesh, ready to be devoured, but something hap  
pened

they moved away, seeming to be frightened, sparing her life  
shocked again, she opened the gates of her tragic past, and blo  
ody images came back to her mind

She remembered the old mission, the dark comet's goal beyond th  
e suns

the flight through that black hole

She lived again in some frames of sorrow, that evil journey  
planned by the arias' exploring section to find new worlds  
but all that they found beyond their system was the black porta  
l

depths of oblivion came back to their world, once opened it  
arkan and the other warriors who observed the  
scene could not feel the same way now about that girl

He moved to her, taking her hand, running away fast from his ol  
d friends

all for her, he loved her
