

I'm Alive

Luca Turilli

You, you say, you have lost the way
Got no aim, just living for today
Look up to the sky above
And see the morning sun again
You got so much power inside
So cry it out my friend
I'm alive, I'm alive
I'm alive, I'm alive
There's no use in hanging all around
You're a king, can't you see your crown?
Look into my eyes
So many things are waiting to be done
You just need a friend
Together we will sing along
I'm alive, I'm alive
I'm alive, I'm alive
Look into my eyes
So many things are waiting to be done
You just need a friend
Together we will sing along
I'm alive, I'm alive
I'm alive, I'm alive
I'm alive, I'm alive
I'm alive, I'm alive
I'm alive
