

# Rider of the Astral Fire

Luca Turilli

There between the eight suns  
right before the system Hazor  
shines the silent planet  
Alkor Zephyr is its name  
Surface made of magma  
of wide oceans and volcanos  
middle dusty regions where  
no trace of life is found  
From the space an ancient secret  
soon will mark this old world  
In the southern region  
live the people of Iraklia  
descendants of peaceful  
ancient dynasty of Lor  
Between these a warrior  
destined to become the victim  
victim of a prophecy  
now lost between the stars  
He will be the astral rider  
prophecy's new fighter  
FROM THE DUST  
OF A TIME NOW FORGOTTEN  
IT WILL COME THE DESTROYER OF WORLDS  
AS THE LEGEND OF THE ANCIENTS  
REVEALED WITH ITS WORDS  
IT WILL COME FROM THE BLOODY DIMENSION  
WHERE DEATH IS A PRESENT FROM GOD  
HE'LL FACE THE SACRIFICED ONE  
THE RIDER WHO OWNS...  
WHO OWNS THE ASTRAL FIRE!  
Arkan is the name of thunder  
prophecy's new fighter  
FROM THE DUST  
OF A TIME NOW FORGOTTEN  
IT WILL COME THE DESTROYER OF WORLDS  
AS THE LEGEND OF THE ANCIENTS  
REVEALED WITH ITS WORDS  
IT WILL COME FROM THE BLOODY DIMENSION  
WHERE DEATH IS A PRESENT FROM GOD  
HE'LL FACE THE SACRIFICED ONE  
THE RIDER WHO OWNS...  
WHO OWNS THE ASTRAL FIRE!
