

Give Praise

LUCIANO

Oh yeah..
Whoah yeah.

Give praise to Rastafari..
And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah.

So many days, so many nights,
I face this struggle light.
Ee do some fight,
Just to get a bite.
My friends and my, ____,
Sometimes may do me wrong.
But by my faith,
I keep holding on..
So I,

Give praise to Rastafari..
And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah.

Di youths today, are so confused,
They don't know what to do.
They fuss and fight,
For what they think, is right.
Life for dem, seem so hard,
They don't know where to turn,
With lessons, that they need to learn..

Give praise to Rastafari..
And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah.

Oh yeah..
Whoah yeah.

Hope is there, for all to share,
We need to be as one.
Love and care, to keep us firm and strong..
So for this cause, I call on thee,
Teach lessons to my son,
Together this battle must be won.

Give praise to Rastafari..
And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah.

Give praise to Rastafari..
And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah.

Give praise to Rastafari..

And all praises unto Jah.
Give praise to Rastafari..
And all praises unto Jah..
