

Are You Alright?

Lucinda Williams

Are you all right?
All of a sudden you went away
Are you all right?
I hope you come back around someday.
Are you all right?
I haven't seen you in a real long time.
Are you all right?
Could you give me some kind of sign?
Are you all right?
I looked around me and you were gone.
Are you all right?
I feel like there must be something wrong.
Are you all right?
Cause it seems like you disappeared.
Are you all right?
Cause I've been feeling a little scared.
Are you all right?

Are you sleeping through the night?
Do you have someone to hold you tight?
Do you have someone to hang out with?
Do you have someone to hug & kiss you?
Hug & kiss you
Hug & kiss you
Are you all right?

Are you all right?
Is there something been bothering you?
Are you all right?
I wish you'd give me a little clue.
Are you all right?
Is there something you want to say?
Are you all right?
Just tell me that you're OK.
Are you all right?
Cause you took off without a word.
Are you all right?
You flew away like a little bird.
Are you all right?
Is there anything I can do?
Are you all right?
Cause I need to hear from you.
Are you all right?

Are you sleeping through the night?
Do you have someone to hold you tight?
Do you have someone to hang out with?
Do you have someone to hug & kiss you?
Hug & kiss you
Hug & kiss you

Are you all right?

Are you all right?

Are you all right?
