Lucinda Williams

Baby, sweet baby, you're my drug
Come on and let me taste your stuff
Baby, sweet baby, bring me your gift
What surprise you gonna hit me with

I am waiting here for more
I am waiting by your door
I am waiting on your back steps
I am waiting in my car
I am waiting at this bar
I am waiting for your essence

Baby, sweet baby, whisper my name
Shoot your love into my veins
Baby, sweet baby, kiss me hard
Make me wonder who's in charge

I am waiting here for more
I am waiting by your door
I am waiting on your back steps
I am waiting in my car
I am waiting at this bar
I am waiting for your essence

Baby, sweet baby, I want to feel your breath
Even though you like to flirt with death
Baby sweet baby can't get enough
Please come find me and help me get fucked up

I am waiting here for more
I am waiting by your door
I am waiting on your back steps
I am waiting in my car
I am waiting at this bar
I am waiting for your essence your essence your essencee.
