## Jackson

## **Lucinda Williams**

All the way to Jackson I don't think I'll miss you much All the way to Jackson I don't think I'll miss you much

Once I get to Lafayette I'm not gonna mind one bit Once I get to Lafayette I won't mind one little bit

Once I get to Baton Rouge I won't cry a tear for you Once I get to Baton Rouge I won't cry a tear for you

All the way to Jackson I don't think I'll miss you much All the way to Jackson I don't think I'll miss you much

Once I get to Vicksburg I don't think I'll feel an urge Once I get to Vicksburg I won't even feel an urge

All the way to Jackson I don't think I'll miss you much All the way to Jackson I don't think I'll miss you much All the way to Jackson I don't think I'll miss you much
