

# Joy

Lucinda Williams

I don't want you anymore 'cause you took my joy  
I don't want you anymore, you took my joy  
You took my joy, I want it back  
You took my joy, I want it back

I'm gonna go to west Memphis and look for my joy  
Go to west Memphis and look for my joy  
Maybe in west Memphis I'll find my joy  
Maybe in west Memphis I'll find my joy

I'm gonna go to Slidell and look for my joy  
Go to Slidell and look for my joy  
Maybe in Slidell I'll find my joy  
Maybe in Slidell I'll find my joy

You got no right to take my joy, I want it back  
You got no right to take my joy, I want it back  
You took my joy, I want it back  
You took my joy, I want it back

I'm gonna go to west Memphis and look for my joy  
Go to west Memphis and look for my joy  
Maybe in west Memphis I'll find my joy  
Maybe in west Memphis I'll find my joy

I'm gonna go to Slidell and look for my joy  
Go to Slidell and look for my joy  
Maybe in Slidell I'll find my joy  
Maybe in Slidell I'll find my joy

I don't want you anymore 'cause you took my joy  
I don't want you anymore, you took my joy  
You took my joy, I want it back  
You took my joy, I want it back  
You took my joy, I want it back  
You took my, I want it back

I'm gonna go to west Memphis  
I'm gonna go to Slidell
