

# Jug Band Music

Lucinda Williams

When I was up  
In Memphis, Tennessee  
Jug band music  
Sounds so sweet to me  
Because it sounds so sweet  
And they're hard to beat  
Ri-da-doo-dee, jug band music  
Certainly was a treat for me

Well, I went to my man  
Put my hand on his knees  
And said: "If you can't play the jug  
You can't play with me"  
Because it sounds so sweet  
And they're hard to beat  
Ri-da-doo-dee, jug band music  
Certainly was a treat for me

And then I took off my socks  
I took off my shoes  
I danced all night  
To the jug band blues  
Because it sounds sweet  
And they're hard to beat  
Ri-da-doo-dee, jug band music  
Certainly was a treat for me

And then I went back home  
Turned on my radio  
Jug band music  
Made me stop and slow  
Because it sounds so sweet  
And they're hard to beat  
Ri-da-doo-dee, jug band music  
Certainly was a treat for me

And it was way downtown  
In Memphis, Tennessee  
Jug band music  
Sounds so sweet to me  
Because it sounds so sweet  
And they're hard to beat  
Ri-da-doo-dee, jug band music  
Certainly was a treat for  
Jug band music  
Certainly was a treat for  
Jug band music  
Certainly was a treat for me
