

# One More Day

Lucinda Williams

Give me one more day  
To turn things around  
Give me one more day  
To get my feet on the ground  
To dig in my heels  
And settle down  
Give me one more day  
To turn things around

Give me one more day  
To come up with a plan  
Give me one more day  
To see if I can  
Find my way  
And come back again  
Give me one more day  
To come up with a plan

Give me one more day  
To do the right thing  
Give me one more day  
To see what it will bring  
To have one more day  
I would give anything  
Give me one more day  
To do the right thing

Give me one more day  
To try my luck  
Give me one more day  
To spend a couple bucks  
And place my bet  
And win back your love  
Give me one more day  
To try my luck

Give me one more day  
To put up a fight  
Give me one more day  
To take back the night  
To battle these demons  
With all of my might  
Give me one more day  
To put up a fight

Give me one more day  
To look in your eyes  
Give me one more day  
To make you realize  
That I don't know what to say  
When my soul cries  
Give me one more day  
To look in your eyes

Give me one more day  
Just one more day  
Give me one more day
