Ventura

Lucinda Williams

Decide I'm gonna make myself A little something to eat Get can down off the shelf Maybe a little something sweet

Haven't spoken to no one Haven't been in the mood Pour some soup, get a spoon and Stir it up real good

I go out with a friend
Maybe a little music might help
But I can't pretend
I wish I was somewhere else

I wanna watch the ocean bend the edges of the sun then I wanna get swallowed up in An ocean of love

Put on my coat
Go out into the street
Get a lump in my throat
And look down at my feet

Take the long way home So I can ride around Put Neil Young on And turn up the sound

Drive up the coastline Maybe Ventura Watch the waves make signs Out on the water

I wanna watch the ocean bend the edges of the sun then I wanna get swallowed up in An ocean of love

Stand in the shower Clean this dirty mess Give me back my power And drown this unholiness

Lean over the toilet bowl And throw up my confession Cleanse my soul Of this hidden obsession

I wanna watch the ocean bend the edges of the sun then I wanna get swallowed up in An ocean of love

I wanna watch the ocean bend the edges of the sun then

I wanna get swallowed up in An ocean of love
