Wrong apartment, nobody here by that name
I can't tell you where he went
And here's the thing

And the lock's been changed

Wrong hotel, nobody here by that name
Wrong hotel, nobody here by that name
I can't tell you how come
He never checked in
But I reckon it's 'cause
He's in trouble again

Wrong address, nobody here by that name
Wrong address, nobody here by that name
Now honey your guess is as good as mine
One neighbor confessed they were fightin' all the time

If you see him around tell me
'Cuz I'm his next of kin
He might be Vicksburg bound
