

Hey Driver

Lucky Boys Confusion

Sparks fly, i hit the ground running
Thumb in the air on the side of the road
Good work.. never comes easy
Hey Driver to the top of the world (2x)
Put my life over my right shoulder with confidence

and here i come
westbound
leave the motor running because i'm on the run
in this crowded world i'll be high waiting when the last train
comes

Dark Skies, i feel my heels burning
False hi's to the end of the road
No doubt, i've got alot of learning
Hey driver to the top of the road
Put my life over my right shoulder with confidence

Sparks fly, i hit the ground running
I'm in the air on the side of the road
Good work.. never comes easy
Hey Driver to the top of the world
Sparks fly, i hit the ground running
Time stops at the end of the road
The big life, big deals, beginnings,
Hey Driver to the top of the world (9x)
