

Different Colours/One People

Lucky Dube

Breaking those barriers
All over the world
Was not an easy thing
Yesterday your mouth was shut yeah
Couldn't make a sound eh boy
But it's such a good feeling today
When I can hear them from
Across the ocean singing this song
That the whole world should be singing
All the time

We're...
Different colours {one people}
Different colours {one people} (3x)

Hey you government
Never try to seperate the people
Hey you politician
Never try to seperate the people

They were created in the image of God
And who are you to seperate them
Bible says, he made man in his image
But it didn't say black or white
Look at me you see BLACK
I look at you I see WHITE
Now is the time to kick that away
And join me in my song

(3x)

Hey you politician
Never seperate the people here
Hey you man hey you man
Never try to seperate the people
