

Group Areas Act

Lucky Dube

If I'm dreaming don't wake me up
If it's a lie don't tell me the truth

'Cause what the truth will do
It's gonna hurt my heart
Being in the darkness for so long now
Mr. President, did I hear you well?
Last night on TV you said

The group areas act is going
Apartheid is going
The group areas act is going
Apartheid is going

Ina me eye me sight the future so bright
I mean I my eyes
I see the future so bright

When the blackie manna coming together
With the whitey manna, with the whitey manna
With the whitey manna
Whitey manna coming together with the Blackman

If I'm dreaming

Gazing at my crystal ball I see the future so bright
The fighting's gonna stop now
We'll forgive and forget I know Mr. President
You can't please everyone but everybody liked it
When you said

Group areas act is going
Apartheid is going
Group areas act is going
Apartheid is going

If I'm dreaming
If I'm dreaming
If I'm dreaming
...
