

Rasta Man

Lucky Dube

Hey Rastman, hey..

When you see me walking down the street
You think because am a Rasta
I don't need a woman
But today I want to tell you something, baby
I wanna show you how we do it in Jamaica

When you see me walking down the street
You think because am a Rasta
I don't need a woman, hey
But today I want to wanna show you
How we do it in Jamaica

A Rastaman, I say an Ijahman
Needs a woman like everybody does

...

Hey Rastman, hey..

You don't want me to lay my hands on you
But one thing am gonna tell you baby
You gonna be my wife and am gonna show you how
We do it in Jamaica baby, ooh-yeahh

You gonna be a Rastaman's wife
You gonna be the Ijahman's wife
I gonna take you to Jamaica on a plane
You got that baby?

Hey Rastman, hey..
