

Romeo

Lucky Dube

I've been looking everywhere for you
Since the day we met
I've never been my old self oh hoo
You don't have to believe in everything
I say right now
Cause to you I'm just another man
Until I prove myself to be
Worthy of your love you see
I'm not the kind of guy
That will bring you
Flowers everyday
I'm not the kind of guy
That will tell you
I love you in many fancy ways
Oh girl!
I've got to tell you this
I love you!
I want you
I love you!
I want you
Oh hoo hoo

I'm your Romeo
Could you be my Juliet

I know what women want
I've been around long enough
To understand it
But I want you to tell me
How to love you
'Cause I want to love you
The way you wanna be loved
It is better to have loved & lost
Than never to have loved at all
I'm not the kind of guy
That will bring you
Flowers everyday
I'm not the kind of guy
That will tell you
I love you in many fancy ways
But my girl
I've got to tell you this
I love you!
I want you
I love you!
I want you
I think I'll prove myself
To be worthy of your love
