Look in the eyes of the Homeless man Tell me what you see In the eyes of a jobless man Tell me what you see What about the eyes Of a prisoner What do you see Now you've seen it all It is time to make up your mind Don't try to hide it 'Cause I can see it all In your face yeah It the same questions That I ask myself every time To be or not to be

Do you wanna be A well fed slave or a hungry free man (3x)

What is the point in being free
When you can't get no job
What is the point in being free
When you can't get food
What is the point in going out to work
When others can get for free
What is the point in being free
When you don't have no home
Now you've heard it all
It is time to make up
Your own mind
To be or not to be
Oh ho ho

Do you wanna be A well fed slave or a hungry free man
