I still believe in a little bit of magic Even though the world has gone crazy So good to know we still have a friend You came to me last night And whispered in my ear Told me not to worry About anything yeah You said you are still my friend And the feeling is mutual Right here

Thabo Thabo my friend Thabo
Thabo Thabo your friend Thabo (2x)
Thabo Thabo our friend Thabo

I believe...

You've got a friend in me You've got a friend Don't have to worry no more

Go! Go! Tabo (2x)

Your fears will be my fears
Your dreams will be my dreams too
Even your joys will be my joys too
'Cause a friend in need
Is a friend indeed

I love Thabo You love Thabo Thabo we love you Go! Go! Go! Thabo

You've got a friend Don't have to worry no more
