

# Bless Myself

Lucy Hale

1. There's a little secret  
I would like to tell you  
There's a book of lies  
I know they'll try to sell you  
And they'll try, and they'll try  
To convince you to buy you need 'em  
So the next time you're down  
Look inside not around.

R: I can bless myself  
There's no need for someone's help  
There's no one to blame  
There's no one to save you but yourself  
I can justify all the mistakes in my life  
It's taught me to be, it's givin' me me  
And I'll survive  
'Cause I have blessed myself.

2. I have searched the world to find  
There's nothing better  
Than when me, myself and I  
Can come together  
And I know for a fact  
There's a spirit I lack or defend  
Yeah I've been through it all  
Just to find in the end

R: I can bless myself...

\*: Do you ever wonder  
How anything can make you cry  
Have yourself discover  
That the pain you feel  
Is the pain that you deny in your lllllll-iiife  
So open up your eee-eee-eyes

R2: You can bless yourself  
There's no need for someone else  
There's no one to blame  
There's no one to save you but yourself  
I can bless myself  
There's no need for someone's help  
There's no one to blame  
There's no one to save you but yourself  
I can justify all the mistakes in my life  
It's taught me to be, it's givin' me me  
And I'll survive  
'Cause I have blessed myself.  
oooooooo-ooooh  
La La La La La  
La La La La La  
I will survive  
'Cause I have blessed myself.
