

Without You

Lucy Pearl

Girl you know I want you
And I don't know what to do without you
All I know is I love you girl
And you need me just like I need you

And I want you baby
No matter what you do
I will hold on to you
You should stay down for me

Follow your heart and you will see
You will see
Without you
I can't walk I can't talk

What can I do
Without you
I can't eat I can't sleep
What can I do

Without you
Nowhere to go nowhere to turn
What can I do
Without you

Without you without you
Try to imagine me and you
Hand in hand as we watch the moon
It doesn't matter where we are

'Cause you are always in my heart
'Cause you are always in my heart yeah yeah
Without you
I can't walk I can't talk

What can I do
Without you
I can't eat I can't sleep
What can I do

Without you
Nowhere to go nowhere to turn
What can I do
Without you

Without you without you
Girl yeah yeah
I love you yeah yeah
You need me too

You know I want you
I want you
Girl I know
You want me too

You know you need me
You need me

Girl you know that
I need you too

You know you love me
You love me
Girl you know that
I love you too

You know you love me
what else what else
Meant to be
You see I love you baby

You know I want you baby
And you want me too
You know I need you baby
And you need me too

You know I love you baby
And you love me too
Without you
I can't walk

I can't talk
what can I do
Without you
I can't eat

I can't sleep
What can I do
Without you
I'll know one day what to do girl

Without you
Without you without you
Girl yeah yeah
I don't know which way to go

Which way to turn
Without you
I don't even know myself sometimes baby
Without you

I know one day what to do girl
Without you
Without you without you
Girl yeah yeah
