

Paper Plane

Lucy Schwartz

Wild flowing fields
Photographs of paper planes
And you love me
Watching the sunrise
Pockets filled with forget-me-nots
That say you love me
All along, you were here to stay
Never noticed, till you said I love you on a paper
plane
You said I love you on a paper plane
La la la la la la love
La la la la la la love
Cool blowing breeze
Lifts up my feet
To show me you love me
Large paper planes
Take you so far away
But I know you love me
All along, you were here to stay
Never noticed, till you said I love you on a paper
plane
You said I love you on a paper plane
La la la la la la love
La la la la la la love
So for all that you do
I will send my lovin' to you
Boy, you make me fly
Again, again, again
All along, you were here to stay
Never noticed, till you said I love you on a paper
plane
You said I love you on a paper plane
La la la la la la love
La la la la la la love
