

# Last Night

Lucy Spraggan

Last night I told ya I loved ya  
Woke up blamed it on the Vodka  
I genuinely thought I was dyin'  
And I could see that smile you were hiding

Last night I told ya I need ya  
That's the last time I drink tequila  
Super lemon and his sidekick salt kid  
I start cryin' and verbally assaulting

Last night I asked you to marry me  
That's when I remembered the brandy  
I wake up and claim I didn't say it  
Screwed if I ever wake up in Vegas

Wish I could stop and I'm not joking  
Drinking too much and socially smoking  
Wish I could stop, start to behave and then  
Wake up in the morning and never miss a day again

Last night police had to frisk me  
In the cells thanks to bells fine whiskey  
Whoops, I think I said too much like  
Do you like my bracelets  
Oh wait, they're handcuffs

So last night I said, "I want your babies  
Forget the ice it's not nice to drink Baileys  
I drink that much that I forget  
Of every embarrassing thing that I say next  
You said, "I got on one knee," and there's no way  
Unless I've been drinking—oh, wait—Rosé  
Sailor Jerry's Rum. I think I drunk a ship full  
Please, please someone provide me a disbrol.  
[Music video version:] Sailor Jerry's Rum. I think I drank too much  
[Music video version:] Showing randomers way too much love

Last night I called you a loser  
I think that was after flamin' Sambuca  
I shouted at you "do me a favour"  
And that's when I fell off the pavement

Wish I could stop and I'm not joking  
Drinking too much and socially smoking  
Wish I could stop, start to behave and  
Then wake up in the morning and never miss a day again

'Cause I'd love to learn when to shut my mouth  
Wake up in the morning and be in my own house  
Do a last shot and know when to stop  
No more photos on Facebook of me doing the robot  
Know when to leave and when to lock my front door  
Start waking up and cheeing in a bed full of people  
Sitting in a cupboard with my weird best friend  
But I'm only young so I'm not gonna pretend

I wish I could stop 'cause I'm not joking

I love drinking too much and socially smoking  
I don't really wanna learn to behave amen  
And I, hey, just missed another day again
