

# It Wasn't Us

Ludacris

They wanna know why I hit like that, spit like that,  
shit like that, maybe because I get like that,  
kick like that, rip like that  
They wanna know why I rhyme like that, shine like that,  
climb like that, cuz the world is mine like that  
(yours like that) mine like that  
(2x)

You can get your whole crews, even niggas that owe you  
They ain't paid you shit you can drink some cold brew  
and throw on them old shoes and jump in the whip  
you can come and find us, be right behind us and insert the clip  
You hear something that went "clack" "clack" "clack"  
Somebody went down but it wasn't us  
you can settle 'bout two meals get hooked up with a good deal  
Start stackin' dough you can ride your mobile  
Get 20 inch big wheels and collect some hoes  
You can even start eatin' good and smokin' good  
but you pressin' your luck and you say wha'  
Somebody went bankrupt shiit but it wasn't us

They wanna know why I hit like that, spit like that,  
shit like that, maybe because I get like that,  
kick like that, rip like that  
They wanna know why I rhyme like that, shine like that,  
climb like that, cuz the world is mine like that  
(yours like that) mine like that

You can go to the drawing board just start from scratch  
All over again clean  
or you can tell a bunch of officers that I'm the one to catch  
But my niggas is the police  
you can try to blame me or even try to frame me but I'll make bail now  
somebody goin' to jail shit but it wasn't us  
You do track after track, and walls get plaque after plaque  
CD's on rack after rack no moe selling sac' after sac'  
You could've had that good life, good kids and a good wife  
It was yours to earn but the records stores gettin' returns  
shiit but it wasn't us

They wanna know why I hit like that, spit like that,  
shit like that, maybe because I get like that,  
kick like that, rip like that  
They wanna know why I rhyme like that, shine like that,  
climb like that, cuz the world is mine like that  
(yours like that) mine like that

You could be  
goin on worldwide tours and see your face on every magazine  
or you can flip to channel after channel  
and see that ass on the TV screen  
You can pay for expensive videos  
and have whole lot of big bootie hoes  
but when the shit start comin to a close  
shiiit but it wasn't us  
You can use your back-up plan, even call him your back-up man  
and start think'in quick

You can call on your back-up hoes, even call the back-up pros  
and tell 'em to suck a dick  
and you tell just to get deez  
and you tell just to pay the fees  
and to pay their dues, and they catchin those STD's  
Shiit but it wasn't us

They wanna know why I hit like that, spit like that,  
shit like that, maybe because I get like that,  
kick like that, rip like that  
They wanna know why I rhyme like that, shine like that,  
climb like that, cuz the world is mine like that  
(yours like that) mine like that
