Ludacris

If you a lame motherfucker, get yo' ass out!  
I'm from the A, I came to party 'til I pass out!  
So if you with me and you tipsy throw your fist up!  
If you got diamonds and they shinin throw your wrist up!  
(2x)

Hey hey  
It's Luda Luda get it right I'm Mr. Money Machine  
And I'm steady lookin for two women I can come in between  
You can catch me chillin up in the cut but I'm always ready for ac-tion  
I'm stunt, like Jackie Chan and lay low, like {?} Jack-son  
Ma-xin and rela-xin, haters, do they really wanna test me mannnn  
I got an arsenal waitin, do they really wanna catch me mannnn  
No, I, don't, think, so  
I've, got killers on the pay-roll if there's a, problem then say-so  
I, make dough until there's none left  
I run with plenty gangs that's holdin thangs  
and rearrange your frame in one breath  
So to keep on breathin I suggest you take this beatin  
'Tis the season for bleedin and we've been lookin for a reason

If you a lame motherfucker, get yo' ass out!  
I'm from the A, I came to party 'til I pass out!  
So if you with me and you tipsy throw your fist up!  
If you got diamonds and they shinin throw your wrist up!

Hey hey  
Come holla at me, I'm a star, I got the hood on smash  
You know me! My whole car smell like a woodshop class  
I point 'em out like her, her, that girl with the mouth  
plus you and your friends  
Let me show you some whips that don't come out 'til the year of 2010  
So I'm flockin 'em in, 'til the droptop is rockin again  
Boy I got it locked, if you think not, then you'll get popped in the chin  
And I'm clockin these ends, my record sales are blockin 'em in  
Gotta thank those blessed to walk the streets to those that's locked in the  
pen  
My entourage is game faces, mean muggin, mean muggin  
Now the media is convinced that we thuggin, we thuggin  
Momma told me grow up to be somethin, be somethin  
I went diamond with this album so we buckin, we buckin

If you a lame motherfucker, get yo' ass out!  
I'm from the A, I came to party 'til I pass out!  
So if you with me and you tipsy throw your fist up!  
If you got diamonds and they shinin throw your wrist up!

I'm so far ahead it's only RIGHT for you to hate on me mayne  
When I'm pushin 90 by myself up in the H.O.V. lane  
They tryin to figure how many mo' women that I can take on my plane  
Bein one of the few rappers responsible for changin the game  
Now desperate artists tryin to sue but they just makin some claims  
Can't get in the spotlight for NOTHIN and it just makes 'em insane  
That's why some of the niggaz resort right back to bakin that 'caine  
And sellin it off to junky monkeys who keep bakin they brain  
As they grow older they'll be feelin a lot of achin and pain  
So right at the head they might as well just be aimin that thang

And you ain't helpin the process out by always cakin these dames  
But it is hard givin up the place where they be shakin they thangs

If you a lame motherfucker, get yo' ass out!  
I'm from the A, I came to party 'til I pass out!  
So if you with me and you tipsy throw your fist up!  
If you got diamonds and they shinin throw your wrist up!
