

## Sex Room

Ludacris

Welcome to my little sanctuary  
you've been looking so good all day  
and you really got a nigga pretty anxious baby  
better call your boss tell him that your daddy's home  
take a couple days off  
and take it off and leave nothing but your T-shirts and your panties on  
feeling high but I'm hung real low looking sorta like a tripod,  
so power down your cell phone and power up your iPod  
power down your inhibitions and power up your inner freak  
(yes... fuck)  
it's the only words that you finna speak  
its about to get real x-rated  
can you handle what I'm 'bout to do  
but enough about me let me think  
should I be worrying about if I can handle you  
damn right I'ma get that thing and I'ma put my name on it  
all night I'ma whip that thing, all state better put a claim on it  
I claim my territory, my tongue finna mark you up  
you could be my fire cracker, my tongue gon spark you up  
get ready for blast off, waterfalls gon splash off  
you might lose around 4 or 5 pounds so get ready to sweat your ass off

Welcome to my sex room  
where your body meets my body  
its our private afterparty  
if you want it girl I got it in my sex room  
candles and a pole sets your body to your soul  
from the bed down to the floor, sex room  
mirrors in the head board, even got a camcord  
baby won't you dance in my sex room

Let the candles burn, Imma turn these lights down  
and when your body gets hot, it'll get you licked up and iced down  
nipples hard as rocks, lips as soft as cotton  
your the apple of my eye, and I got you spoiled rotten  
I'mma get my video camera, lets make a movie baby  
you the star so as soon as I press record you got's to do me baby  
you can stare all in the mirror, take a pic at how good you looking  
Imma have your body smoking, take a look at what Luda's cooking  
my arm underneath your leg leg  
or behind your head is how I gets to get ya  
right hand left hand all red in the bed like we've been playing twister  
now I've got you tangled up and you caught all in my web  
should I let you loose nah  
I think I'll get the blindfold instead  
you better get a couple towels baby  
cos we about to slip and slide  
you don't ever need a horse or saddle  
I'mma give you this dick to ride  
I'mma grant your every wish and fulfill your fantasy  
aint nobody else allowed in the sex room  
it's only you and me
